Subject to the terms, conditions and exclusions detailed in this warranty, Protection Brands warrants that this product will prevent permanent staining of the treated surface from make-up, sunscreen, water, coffee, soda, milk or other commonly consumed food & liquids and prevent discolouration of the treated surface caused by the harmful effects of ultraviolet light for the warranty period.

Where a valid warranty claim is made, Protection Brands will do one or more of the following: clean or repair (at its option) the faulty area and re-apply the product to that area, or at its option, pay compensation.

WARRANTY PERIOD

If at the time of purchasing this product your vehicle is new or it has been more than 60 months from the build date of the vehicle, the product is covered by this warranty for the lifetime of the vehicle.

If at the time of purchasing this product your vehicle is a used vehicle between 60 months and 120 months from the build date of the vehicle, the product is covered by this warranty until the vehicle reaches 120 months from the build date. Used vehicles may be subject to an inspection by a Protection Brands representative prior to product application.

For the avoidance of doubt, the 10-year pro rata warranty period for vehicles over 5 years of age, is based on the following calculation:

AGE OF VEHICLE		WARRANTY PERIOD	
Months	Years	Months	Years
60	5	60	5
72	6	48	4
84	7	36	3
96	8	24	2
108	9	12	1

MAKING A WARRANTY CLAIM - WHAT TO DO

To make a warranty claim you must follow the procedure outlined below:

1. Visit <https://spark.permagard.com.au/warrantyclaim/> and follow the prompts to enter the following details. If you do have internet access, please call 1800 413 222:
 - a) Enter your name, address, phone number/s, email, your vehicle make, model, registration number, VIN number, the name of the supplying dealer, the products you purchased, additional details and/or comments surrounding your warranty claim
 - b) Upload your Warranty Treatment Form as well as photos of the damage or area of concern.
2. Upon receipt of a completed and valid warranty claim form, Protection Brands will then provide you with a Claim Reference Number and arrange for an assessor to inspect the vehicle during normal business hours at a location nominated by Protection Brands.

NOTE: Your Warranty Treatment Form including this warranty and proof of purchase must be presented to the assessor at the time of assessment.

3. Following the vehicle assessment and subject to it being a valid warranty claim, Protection Brands will arrange a mutually convenient time at a location nominated by Protection Brands to rectify the fault or damage.
4. You must bear the cost of claiming this warranty including the cost of delivery and collection of the vehicle to and from the nominated location.

REAPPLICATIONS - WHAT TO DO

In the event of a interior panel or surface repair, reline, or replacement, you must contact Protection Brands in order to have the products reapplied to the repaired, relined or replaced panel.

To request a reapplication quotation and booking, you must follow the procedure outlined below:

1. Visit <https://spark.permagard.com.au/warrantyclaim/> and follow the prompts to enter the following details. If you do have internet access, please call 1800 413 222:
 - a) Enter your name, address, phone number/s, email, your vehicle make, model, registration number, VIN number and detail the products you purchased

In the comments section please include:

- Who your Insurance company is (*if applicable*)
- What the Insurance Claim Number is (*if applicable*)
- Which panels need reapplication
- How many panels need reapplication

Once this has all been loaded into the portal and provided to Protection Brands, you will receive an automated email with a Customer Reference Number (CRN). From there the reapplication request will be allocated to a team member who can provide you with a reapplication quotation.

Protection Brands has no other liability under this warranty, including liability for any loss of your time, or vehicle use, or for any rental vehicle or transport costs.

The benefits given to you by this warranty are in addition to the rights and remedies of the consumer under a law in relation to the goods the subject of this warranty.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

INTERIOR CARE INSTRUCTIONS

The Diamond Protect Interior Fabric, Leather, Plastic & Vinyl Protection is designed to prevent discolouration caused by the harmful effects of ultraviolet light (UV) & permanent staining from make-up, sunscreen, water, coffee, soda, milk & or other commonly consumed food & liquids for the warranty period, unless otherwise specified in the warranty terms.

While the products do indeed create a barrier on the materials & will enable sufficient time to clean, remove, or soak up liquids before a stain presents, it is vitally important to clean & dry off any spills or drops from food, liquids & or other substances; before they are allowed to soak in & irreversibly stain the materials.

NOTE: Product is not applied to roof linings, steering wheels, foot pedals, shifters, switches and levers (including but not limited to cruise control stalks and indicator/blinker stalks), instrument clusters, speedometer clusters and any applicable vehicle screens, including navigation, infotainment and driver display screens.

It is essential to wash, clean & vacuum your vehicle regularly to maintain the integrity of the products. Recommended schedule is every 2 to 3 weeks.

NOTE: All wash, cleaning & maintenance products listed are available for purchase from your supplying dealer & or at www.shopprotectionbrands.com.au

STEP-BY-STEP INTERIOR CLEANING GUIDE:

What You'll Need:

- Diamond Protect Multipurpose Cleaner
- High-quality microfiber cloths
- A Vacuum with various sized attachments
- *Optional:* A Soft Bristle Cleaning Brush

1. Clear Out Trash & Personal Items: Remove any garbage, floor mats, & personal items from the vehicle.
2. Shake out & or beat the floor mats outside to remove loose dirt.
3. Vacuum Thoroughly: Use a vacuum with attachments to reach tight areas, including the seats, under seats, & between cushions. Don't forget the trunk or cargo area.
4. Clean Hard Surfaces:
 - Dashboard, Console, Doors & Steering Wheel: Use a microfiber cloth treated with the Diamond Protect Multipurpose cleaner & wipe surfaces thoroughly.
 - Pay attention to buttons, knobs & vents (use a small soft bristle brush for vents if needed).

- Cup Holders & Compartments: Use a soft bristle brush or soft cloth to wipe away dirt & then wipe with the dampened microfiber cloth. Using the remaining dry microfiber cloth, dry any residual streaks from the Diamond Protect Multipurpose cleaner.
5. Seats & Upholstery:
 - Cloth Seats: Using the Diamond Protect Multipurpose cleaner, lightly spray directly onto the material & gently scrub with a soft brush or microfiber cloth. Blot dry with a clean dry microfiber cloth. NOTE: Avoid over-wetting to prevent mold or lingering moisture.
 - Leather Seats: Using the microfiber cloth lightly dampened with the Diamond Protect Multipurpose cleaner, wipe the material clean. Using a dry microfiber cloth, dry any residual streaks from the interior cleaner.
 6. Floor Mats & Carpets
 - Rubber Mats: Hose down, scrub with the Diamond Protect Multipurpose cleaner, rinse, & let air dry.
 - Carpet Mats & Floor Carpets: Use the Diamond Protect Multipurpose cleaner & lightly spray directly onto the material, scrub with a brush, & vacuum any loosened dirt.
 7. Windows & Mirrors: Use the Diamond Protect Multipurpose cleaner & a microfiber cloth to avoid streaks. Clean inside windows last since they can pick up residue from other cleaning tasks. If you have window tint, follow the care & maintenance instructions for window tint.

Suggested Additional Care & Maintenance Product:

The Mitsubishi Motors Diamond Protect Antimicrobial Shield will sanitise, shield & protect you & your family against harmful germs, bacteria, odours & mould or mildew growth within the cabin & air-conditioning system of your vehicle.

Protection Brands recommends that you use this product once every 3 to 6 months to assist with ongoing sanitisation & germ prevention.

Spills & Liquids: If you do get a spill from any liquid on the treated surface, remove & dry the spillage as soon as you can.

Absorb the spillage with a clean non-coloured dry towel or absorbent paper. If the spillage has been allowed to dry, use a non-coloured cloth dampened with a mix of warm water plus a pH neutral multipurpose cleaner & on:

- Vinyl/Leather - gently rub the stained area until clean.
- Carpet/Fabric - gently dab the stained area until clean & then vacuum.

Remove **Tanner, Makeup, Sunscreen & Ink** as soon as possible. Make a solution of water mixed with the Diamond Protect Multipurpose cleaner

- Vinyl/Leather - Use a sponge & apply only to the surface where the mark or stain is located. Wipe dry with a clean cloth.
- Fabric/Carpet – being careful to not over wet, gently work solution into the fabric, moving from the outer
